

*“Great wine requires a madman to grow the vine. A wise man to watch over it. A lucid poet to make it and a lover to drink it.”*

– SALVADOR DALI

Fine wine is a combination of the characteristics of the Earth, and a unique knowledge of how to get the best out of this special place we call home.

At Buvette we love to share our passion for wine. Whether you’ve never had a glass or are a serious enthusiast, we have a wine for you. We believe the best way to learn about a wine is to sip, taste and discover (and on the occasion, to take a risk).

Our wine cellar is a product of immense passion and pride. Together with Chef Fabien Wagnon, we work to bring our guests a marriage of outstanding produce and the best of local and French wines.

Our wine list features a well-balanced selection of mature favourites and boutique labels with a strong focus on quality.

At Buvette we don’t just offer you a mere glass of wine. Our Enomatic wine dispensers guarantee quality wine preservation, precise temperature control and allow you to experience high quality wines without splashing out for the whole bottle.

We also realise that you might prefer something other than wine, and for these occasions we have compiled an excellent selection of craft bottled beers, premium spirits and cocktails to suit all tastes.

In 2003, the Carpenters sought Biodynamic certification for this vineyard through NASAA (minimum 5 year transition) and in 2006 the 'transition to Biodynamic' certification was granted. 2008 marked the first vintage of 'Certified Biodynamic' wines from Lark Hill.*

— OLD, RARE & ICONIC —

DON'T FORGET ABOUT THE 'UNICORNS'

*Popularised on social media, the term is used to refer to bottles as elusive as the mythical horned horse, the turn of phrase for ultra-rare vintages.*

The phrase points to a larger trend in the wine industry: unlike the blue-chip trophy wines that collectors have typically vied for (Latour, Lafite), unicorn wines confer status not by cost but by the skill - or luck - it takes to acquire one. It's a brand of exclusivity you can't just buy.

**1990 HENSCHKE HILL OF GRACE . . . . . 1,875**

*Eden Valley, South Australia*

Henschke 'Hill of Grace' is Australia's most important single-vineyard wine. Vintaged since 1958, the Hill of Grace is the quintessential Eden Valley Shiraz showing pristine flavours of blackberry, sage and mocha with fine, lacy tannin with voluminous freshness. Stephen and Prue Henschke are the custodians of an Australian wine treasure that was in full flourish in 1990. Regarded as a perfect vintage by many, this Hill of Grace is drinking at its peak currently, but will cellar comfortably for quite a few more years.

**2010 PENFOLDS BIN 95, GRANGE . . . . . 1,395**

*Multi-Regional, South Australia*

Grange is arguably Australia's most celebrated wine and is officially listed as a Heritage Icon of South Australia. Grange boasts an unbroken line of vintages from the experimental 1951 and clearly demonstrates the synergy between Shiraz and the soils and climates of South Australia.

Penfolds Grange utilises fully-ripe, intensely-flavoured and textured Shiraz grapes. The result is a unique Australian style that is now recognised as one of the most consistent of the world's great wines. The Grange style is the original and most powerful expression of Penfolds multi-vineyard, multi-district, blending philosophy.

CABERNET SAUVIGNON

**1996 PENFOLDS BLOCK 42 KALIMNA . . . . . 1,645**

*Barossa Valley, South Australia*

The vintage conditions of 1996 provided Penfolds chief winemaker John Duval and his team the unique opportunity to create a one off special 'bin wine'. In the mould of other exceptional rare releases like the Bin 60A and Bin 7, the Block 42 Cabernet Sauvignon is a single vineyard wine from one of the oldest Cabernet vineyards in Australia. Deep red-purple in colour with intense blackcurrant, plum and chocolate aromas and very concentrated with cassis, plum, chocolate/vanilla with good tannins and loads of length. A wine that is becoming rarer by the year, don't miss out on this rare Penfolds one-off.
